

WDH Loyalty Points System

Clients earn points every time they book or complete a service through any WDH company. Points can be redeemed for **discounts, priority scheduling, free services, or exclusive WDH merchandise.**

How It Works:

- **\$1 spent = 1 Loyalty Point**
- **100 points = \$5 discount** or equivalent service credit
- Points accumulate and **never expire** as long as you're an active client (1+ service per 6 months)
